

Dr Louise Turnbull

I am a Paediatric Respiratory Consultant based at Royal Manchester Children's hospital where I have been working since 2016. I studied at the University of Manchester and trained in Paediatrics across the North West. I am passionate about both medical education and the ongoing training of junior doctors and Consultants. I am the North West Area Officer representing the Royal College of Paediatrics and am your link to the college to represent your views and support you with issues you may be having. Please do get in touch if I can be of any help.
